

Central U.S. Daily Direct Feedlot Slaughter Cattle Report as of 5:10 pm

Today's Sales Volume: 20,000
 Today's Estimated Volume: 35,000

Trading is light to moderate in the South Plains on moderate demand. Compared to last week, live sales are 2.00 higher in the Texas Panhandle and 2.00 to 3.00 higher in Kansas at 94.00. Dressed sales in Kansas are 4.50 to 5.00 higher than last week at 148.00-149.00.

Trading is light in Nebraska on light to moderate demand. Compared to Thursday, dressed sales are trending steady to 1.00 higher at 145.00. Live sales in the 3% area have traded at 92.00, with 93.00 in the 4% area. Many producers have passed the 93.00 bid. Trading remains inactive in the Southern Plains on light buyer inquiry.

Note: prices are based on net weights FOB the feedlot after a 3-4% shrink unless otherwise noted. Dressed prices based on hot carcass weights delivered to the plant.
